

REMARKS

Status of the Application:

Claims 1–41 are the claims of record of the application. Claims 1–24 and 35–41 have been allowed. Claims 25, 29 and 32 have been rejected and claims 26–28, 30, 31, 33 and 34 have been objected to and would be allowable if written in independent form.

Without prejudice, and purely in order to speed up bringing this application to an allowable state, rejected claims 25, 29 and 32 have been cancelled. Furthermore, claims 26–28, 30, 31, 33 and 34 that previously depended on these now cancelled claims have been amended to overcome the Examiner's objection by adding all of the limitations of the base claim and any intervening claims so that the resulting claim set does not depend on any previously rejected claim.

Claims 1–24 and 35–41 have been allowed. Claims 26–28, 30, 31, 33 and 34 are now allowable, in view of the amendment and as indicated by the Examiner in the last office action.

For these reasons, and in view of the above amendment, this application is now considered to be in condition for allowance and such action is earnestly solicited.

If the Examiner has any questions or comments that would advance the prosecution and allowance of this application, an email message to the undersigned at dov@inventek.com, or a telephone call to the undersigned at +1-510-547-3378 is requested.

Respectfully Submitted,

March 2, 2007
